The following is the process for submitting requests for technical information from HUD for use in Negotiated Rulemaking meetings:

- Any committee member or workgroup participant may complete a 'Request for Technical Information.'
- A Workgroup Chair or the Committee Chair must sign the Request before being submitted to HUD.
- The Workgroup Chair or the Committee Chair will then submit the request to any member of the HUD team.
- The HUD team will indicate the date and time received. The request will also be assigned a number.
- When completed, the request will be distributed by hand (if the meeting is in session) to the person making the request. A copy of the request and document(s) will also be submitted to the Workgroup Chair (or Committee Chair). The document will also be posted on the Internet at:
<http://brc.arch.uiuc.edu/ihbg/negreg/negreg.htm>
- Requests can also be submitted between meetings but a Workgroup Chair or Committee Chair must sign the request before being submitted to HUD. Requests made after the meeting should be faxed to Deb Lalancette in the Denver Program Office at 303-675-1660.
- If the request is submitted after the session is adjourned or if the request can not be completed before the meeting is adjourned, notification and distribution will be via e-mail and the completed request will be posted on the Internet along with the name of requester, subject of the request, and date completed at:
